

Tax Manager

Farkouh, Furman & Faccio, LLP ("FF&F") is a rapidly growing boutique accounting firm situated on Park Avenue in Midtown, Manhattan. Currently, we are looking for a full-time senior tax associate with 6-10 years of experience who has leadership and long-term growth potential within our firm.

At FF&F we offer the unique opportunity to work on sophisticated clientele ranging from high net worth individuals and families to providing tax planning and compliance for publicly traded corporations in a small firm nurturing environment. A major benefit of working for us, as opposed to most larger Firms, is that you will be exposed to a wide variety of tax matters and never be pigeon-holed into one area of tax or accounting. The opportunities to work on various special projects and research for advisory services for M&A deals, business start-ups, forensic accounting, entity selection, and financial planning are endless. We offer an outstanding learning environment where you will work directly with the partners, as well as have access to the best research tools. This position offers you the perfect opportunity for career growth where you control your own destiny.

We focus on outcomes as opposed to output with the constant goal of adding value to our clients. Potential candidates must exhibit common sense, ownership, passion and the desire to service clients. The ideal candidate will have experience in preparing sophisticated business returns (including corporate and flow through entities), income tax provisions (ASC 740), high net worth individual returns and estates and trusts. The ability to do tax planning, independent research and manage client contact and relationships are all skills greatly valued.
