

Senior Auditor

Farkouh, Furman & Faccio, LLP ("FF&F") is a rapidly growing boutique accounting firm situated on Park Avenue in Midtown, Manhattan. Currently, we are looking for a full-time Senior Auditor with 4-8 years of experience. This position offers leadership in the form of staff supervision and training, direct client contact, and long-term growth potential.

As a Senior Auditor at FF&F, you would be an integral part of the team, with the unique opportunity to be exposed to all aspects of the audit from start to finish, not just one facet of the engagement. You would be responsible for taking ownership of each step of the engagement including audit planning, fraud and risk assessments, and the preparation of financial statements and disclosures, as well as tax issues such as tax accruals, tax compliance, and tax planning.

The opportunities to work on various special projects and research for advisory services for M&A deals, business start-ups, forensic accounting, entity selection, and financial planning are endless. We offer an outstanding learning environment where you will gain knowledge directly from the partners, as well as have access to the best research tools. We focus on outcomes as opposed to output, with the constant goal of adding value to our clients.

Potential candidates must exhibit common sense, ownership, passion, and the desire to service clients. You must be able to work both independently and as part of a team, work within budgeting and time parameters, and be able to effectively communicate with staff and clients.

Minimum Requirements:

- Bachelor's degree in Accounting
- 4-8 years of total experience with a minimum of 4 years' lead auditor experience with a quality CPA firm
- Ability to stay informed about current accounting, legal and regulatory issues

Ideal Accounting Experience Includes:

- CPA license
- Experience working with the Financial Services industry, more specifically broker-dealers, investment partnerships/hedge funds and private equity funds

- Work closely with an extensive professional network in the U.S. and over 70 countries around the globe

Full Time Position Includes:
